

Government Office Network Hyperlink Policy

Hyperlinks to us

The Government Office Network [GO Network] encourages users to establish hypertext links to the site. You do not have to ask permission to link directly to pages hosted on our *website(s)*. We do not object to you linking directly to our information. However, we do not permit the use of our logos as promotional or hypertext objects.

Hyperlinks from us

The GO Network is not responsible for the contents or reliability of the linked websites and does not necessarily endorse the views expressed within them. Listing should not be taken as endorsement of any kind. We aim to replace broken links to other sites but cannot guarantee that these links will work all of the time and we have no control over the availability of the linked pages.

We link to:

- Organisations with which we have a direct working relationship - such as partners, stakeholders, sponsors, non-departmental public bodies etc.;
- other government departments

The GO Network does not link to commercial websites. If your site is non-commercial, please contact us via email at: rcuenquiries@rcu.gsi.gov.uk about establishing a hyperlink.
